Dear Ms. Casanova:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 10-167 and proposed by the Indiana Family and Social Services Administration ("FSSA"). The proposed rule amends 405 IAC 1-8-3 to modify reimbursement for the technical component of outpatient radiology services by basing the rates paid to outpatient radiology providers on the Indiana Medicaid physician fee schedule rates for the radiology services technical component. The modification of this Medicaid reimbursement methodology began on April 1, 2010 by emergency rule promulgation.

The FSSA estimates that approximately 8 small businesses will be affected by the proposed rule. The FSSA indicates that using the generally accepted accounting definition, small businesses will incur no additional costs as a result of this rule. The FSSA acknowledges that small businesses will experience a change in revenues due to the proposed rule.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 232-8962 or rasberry@iedc.in.gov.
